

# Silent Grey

$\text{♩} = 130$   
C F C N.C. C F C

Lead

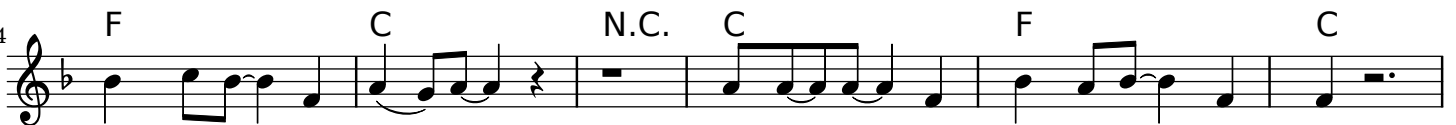

1. look-ing out the win-dow of my bal-co-ny,
2. no-one's on the streets yet, they are emp ty.
3. mist be-tween the trees and the val leys

8

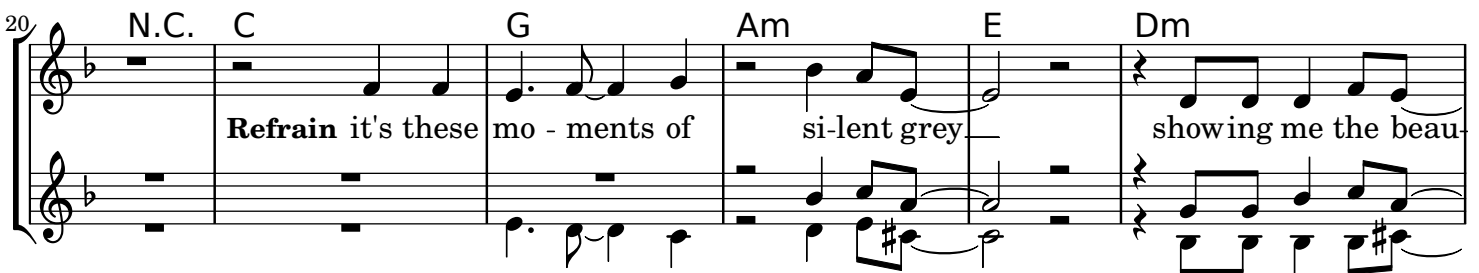

all the world in grey of ear-ly light. night is fa-ding  
ev-ery-one's a-sleep for another hour. no-one knows the  
damping all the sounds to al-most mute dew drops on the

14

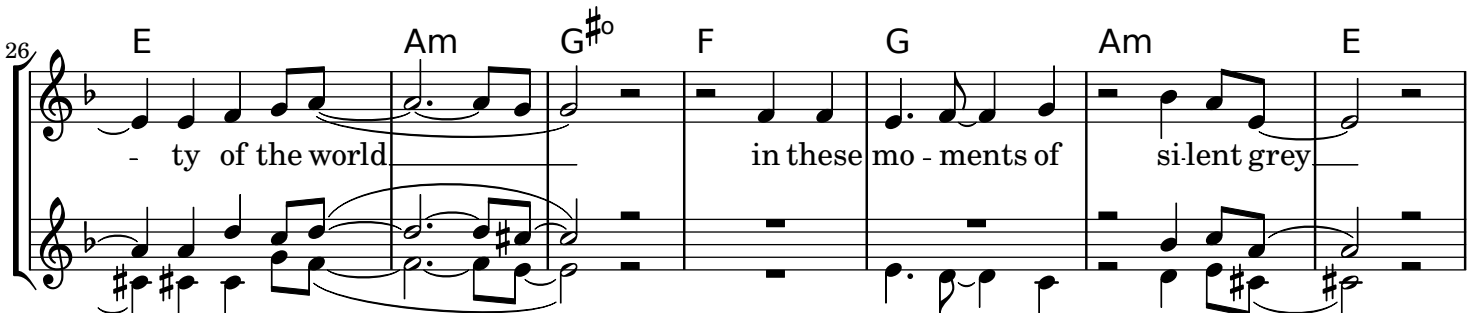

there's no sun yet shi-ning. stage is rea-dy for her scene all bright.  
beau-ty of this mo-ment no-one sees the world as i do now  
leaves and on the ground make it look all sad and yet so cute

20

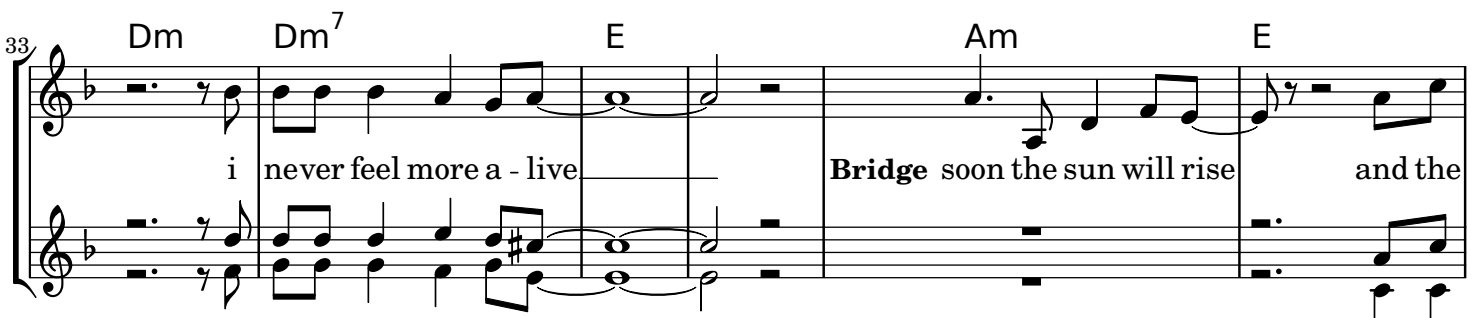

**Refrain** it's these mo-ments of si-lent grey showing me the beau-

26

-ty of the world in these mo-ments of si-lent grey

33

i never feel more a-live **Bridge** soon the sun will rise and the

39 F C Am E F

world will come to live soon the day will start all bright, to every single ones

44 C Am E F C

de-light the mist will quickly meet its fate the dew drops will e-va - po - rate

49 Am E F C B

everyone will be a-wake, the sounds of live will pe-ne - trate, but then it will be gone,

54 B F C B

but then it will be gone the beauty of the ear - ly day, the

59 F G<sup>7</sup> C G Am E Dm

moment of the si - lent gray wistle wistle wistle

66 E Am G<sup>#o</sup> F G Am E
