

# Her Last Mail

Lead  $\text{♩} = 110$

**Refrain** In her last mail she wrote she'll be back by de - cem -

**Outro** That was three years a - go, and the wounds have healed nice -

ber she hopes that I'm fee - ling as great as she does then she writes that it's warm  
- ly though I still feel the bumps of the scars on my wrist I can sleep without meds,

there, and she hard - ly re - mem - bers the cold, rai - ny days and the snow and all that  
and next week I am go - ing to have the last session with my psy - cha - trist

all the peo - ple she met are in - cre - dib - ly nice, yes she hopes that I may -  
so to - day I got rid of the old christ - mas pre - sents that I have kept safe

- be could meet them some day and she added that I should ex - pect her for christ -  
ly un - der my bed and I threw a - way that small pic - ture of

fine  
- mas she sends thou - sand kis - ses, and her love 1. I was spen - ding the nights  
hers and de - le - ted the mail 2. now the new year was fee -

that got lon - ger and lon - ger just wat - ching the phone, ex - pec - ting her call  
- ling so un - real that e - very day I hoped to wake cause I drea - ded the night

but the long nights stayed si - lent, still I wai - ted  
be - ing choked by the de - mons that would haunt me

and I looked at the small pic - ture I had of  
like a pup - pet on strings I was pulled through the

her while the cand - les I ligh - ted for christ - mas burned down  
days be - cause time just flowed on and re - fused to ac - cept

and the pre - sents I made all stayed un - o - pened  
that all life as we've known it be - came point - less
