1. All a-lone is what we are so I be-lieved, cause Kurt was singing it,
2. Ne-ver mind the black hole sun that's loo-ming o-ver me while con-tem-pla-

and playing my guitar I prac-ticed ni-hi-lis-tic thin-king I can't go on,
-ting me-lan-cho-lic songs that serve to prove the thin-ker I am I can't go on,

I'll go on I can't go on, I'll go on
I'll go on I can't go on, I'll go on

cause I fi-gured in-ner dis-tance and pure-ly aes-the-tic views on
twis-ting words un-til per-fec-tion sim-ple sen-ti-ments ob-scured

subjects tou-ching my e-xis-tance gets me through a trou-bled youth **Chorus** That
I was trapped in self-re-flec-tion 'til the night that I was cured

magic night, we sang a-long to chee-sy kara-o-ke songs and our hearts were bur-ning,

though the words were wrong Dancing in the neon light O-a-sis saved my

life that night with a cham-paign su-per-no-va in the sky
