Lyrics:

Note to self: I'm lost but not in - se - cure I think I'm an im - pos - tor but I'm

ne - ver too sure help me see the light cause the world's ob - scure I

don't know what I'm suffering from but you are the cure falling through the void never

move from my place o - verunem - ployed staring holes in - to space dreams and re - ve -

la - tions self - de - ter - mi - na - tion aim - les in - tro - spec - tion lo - sing all di - rec - tion help me

take it a - way slack my future every day, I say help me help me focus my mind

thought and will are never a - lign - ed, I say help me step on my side I need you to help me

I say help me step on my side I need you to help me
