

Silent Grey

$\text{♩} = 130$
F B F N.C. F B F

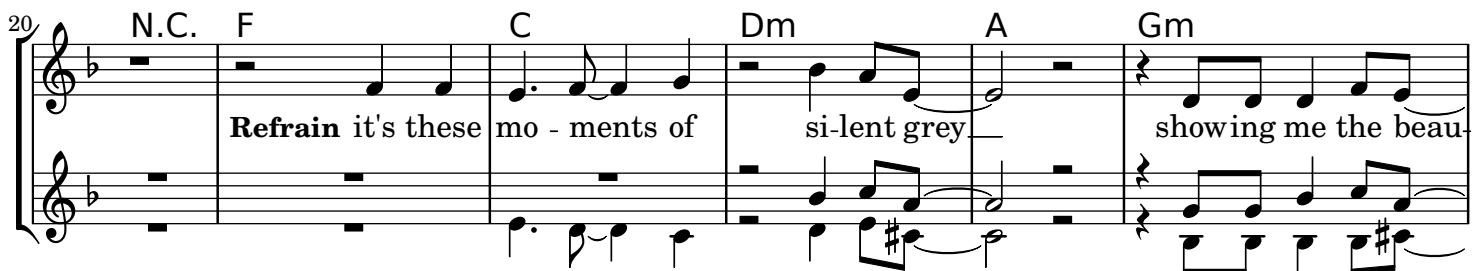

1. look-ing out the win-dow of my bal-co-ny,
2. no-one's on the streets yet, they are emp ty.
3. mist be-tween the trees and the val leys

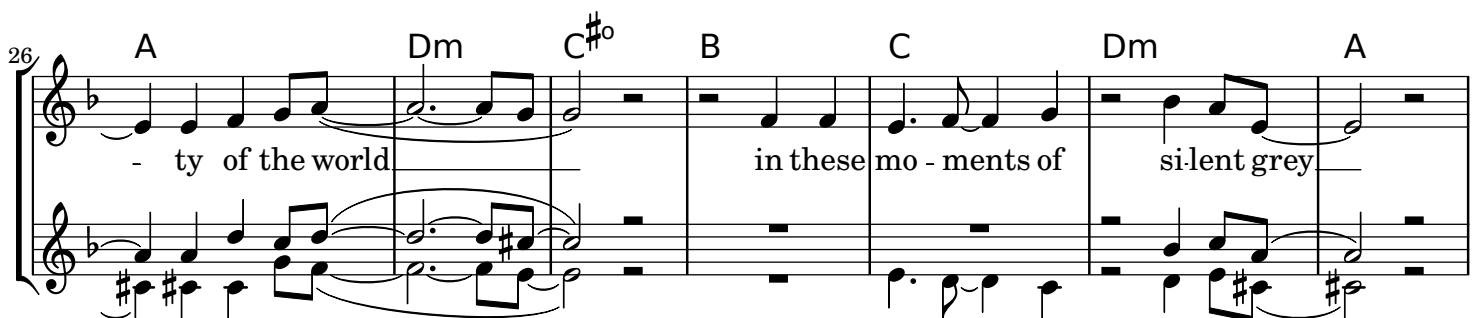

all the world in grey of ear-ly light. night is fa-ding
ev-ery-one's a-sleep for another hour. no-one knows the
damping all the sounds to al-most mute dew drops on the

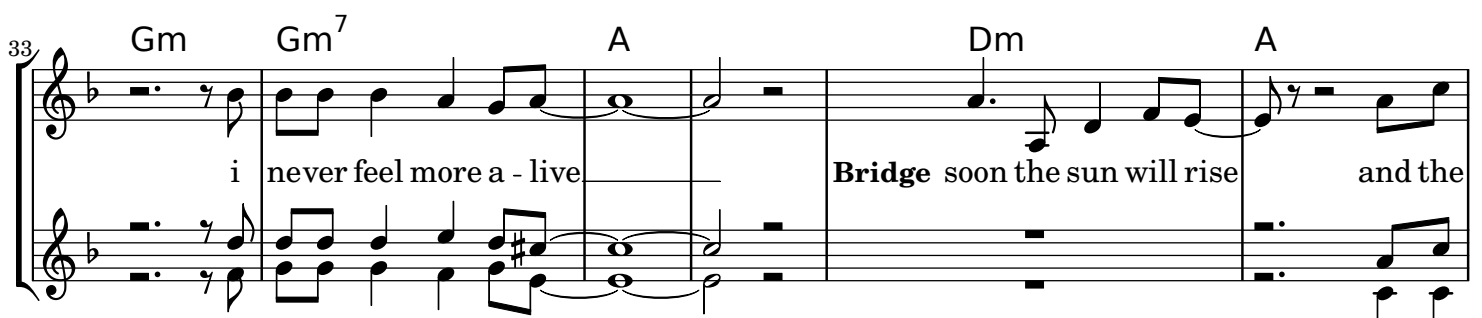

there's no sun yet shi-ning. stage is rea-dy for her scene all bright.
beau-ty of this mo-ment no-one sees the world as i do now
leaves and on the ground make it look all sad and yet so cute

Refrain it's these mo-ments of si-lent grey showing me the beau-

-ty of the world in these mo-ments of si-lent grey

i never feel more a-live **Bridge** soon the sun will rise and the

39 B F Dm A B

world will come to live soon the day will start all bright, to every single ones

44 F Dm A B F

de-light the mist will quickly meet its fate the dew drops will e - va - po - rate

49 Dm A B F E^b

everyone will be a-wake, the sounds of live will pe-ne - trate, but then it will be gone,

54 E^b B F E^b

but then it will be gone the beauty of the ear - ly day, the
